

## **16 - 19 Tuition Fund**

### **Sheiling College use of catch up funding**

- Sheiling College is using its catch up funding to pay for additional Teaching Assistant (TA) staff time (extra hours for existing staff)
- The additional TA hours are over and above the funded level for individual learners, and are allocated to learners who have missed education time, or slipped behind in their learning due to Covid-19 enabling them to get back on track with their study programmes
