

IG COMPLAINTS POLICY (FOR STUDENTS)

Reviewed: Principal/SMT - July–Sept 2023 (Every 2 years)

Ratified by Board: Sept 2023

Next Review date: Summer Term 2025 (as agreed by Trustees in 08/03/24 Board meeting)

EDI Assessment: In terms of assessing the impact on students at the Sheiling with learning disabilities, a student-friendly version of this policy in picture format will be created by our Speech & Language Therapist and will be made available for our students.

Complaints from Current Students

The Sheiling Ringwood recognises both the necessity and the challenge of enabling all its students to access a Complaints Process. We will continually endeavour to improve our attempts.

Pictures and photographs and other forms of augmented communication (sign language, Communicate in Print) will be used to bring awareness of the possibility of making a complaint at appropriate times for those with severe communication difficulties.

Students can and should complain to any member of staff they feel close to or supported by. This person is duty bound to inform a member of the Sheiling Safeguarding Team.

Students may wish to complain to an independent advocate or their social worker. This will be enabled by staff and the student supported according to their wishes and needs.

Any complaint from a student will be handled in the manner of the above complaints procedure and be recorded in The Sheiling Ringwood's Complaints Log Book.

In cases of suspected abuse, the incident should be reported to the Designated Safeguarding Lead (see 4A Safeguarding, Child Protection and Adult at Risk Policy- Appendix 6).
