Where is our school?

Our school is in Ashley Heath, Ringwood which is located between the New Forest and Bournemouth beach.

Please see our website for directions to our school and more information about us. www.thesheilingringwood.co.uk

What does Sheiling School look like?

Our entrance

Feirefis House
Some school students live here

Part of our open play space

Our students welcome you to the school

Our students

Students at The Sheiling Ringwood love meeting new friends.

Many students have been at our school for a few years.

Some students live in the school houses and spend the holidays with their family

Some students are called boarders and live in one of our houses. One of our residential houses is called Feirefis.

You can live with your friends.

Boarders are looked after by a House Manager and Support Workers who help the children, play games with them and do lots of fun things after school and at the weekend.

Some students live at home and travel to school each day

This is our Therapy building. It is called Raphael.

Some students love horse riding, swimming, music and going on outings with the other children who live here.

We have fun on go-karts!

A day at school

A day at school for a boarder

Get up at around 7:00am

Have breakfast at 8:00am

School lessons begin at 9:00am

A day at school for a day student

Some students have breakfast at home

Some students arrive at school by car

Our lessons

We greet each other and have register, singing, share what has happened to us and learn about Geography, History or Science.

We then have a break and a snack and go outside for break time.

After break, we might do reading and writing, numbers, have music lessons or the gym. Sometimes we go riding, do painting or go on outings.

We then have lunch at 12:30pm in our house. We help with jobs and clearing the table and relax.

We go back to school at 2pm for more lessons like gym, games, choir, folk dancing and art and crafts.

We have fun as we learn

We help with our Summer Festival

We help in our garden and round our estate

We enjoy outings

We visit lots of lovely places

We join in all the celebrations

A weekend for students

Some students stay at the school. They go on lots of outings, such as to the shops, the beach, a concert or do an activity they choose.

Some students stay at home for the weekend so they can see their other friends but sometimes they choose to stay at the school and play with the others.

Promoting British values

At the Sheiling, we learn all about different traditional festivals from both Britain and other cultures.

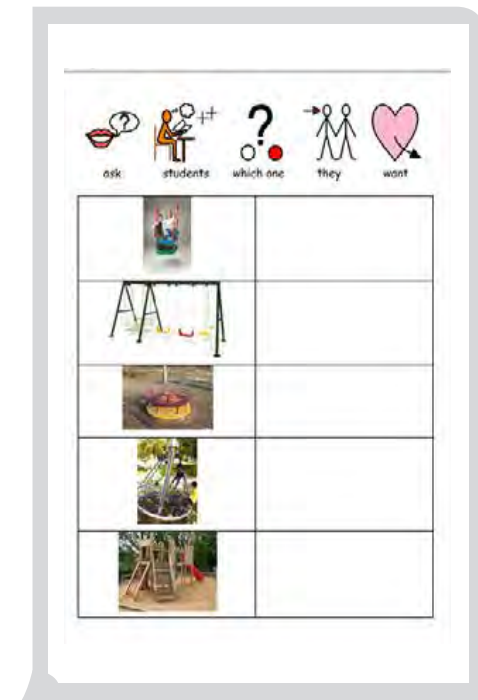

We also learn all about important values such as democracy, the rule of law, individual liberty and mutual respect.

Democracy

We learn about democracy in lots of ways. We have house meetings with the students and staff in our house, where we each take it in turns to make decisions—for example, choosing what to have for lunch.

We also have Student Council meetings every term. Representatives from each class and house attend to vote on decisions, such as new playground equipment!

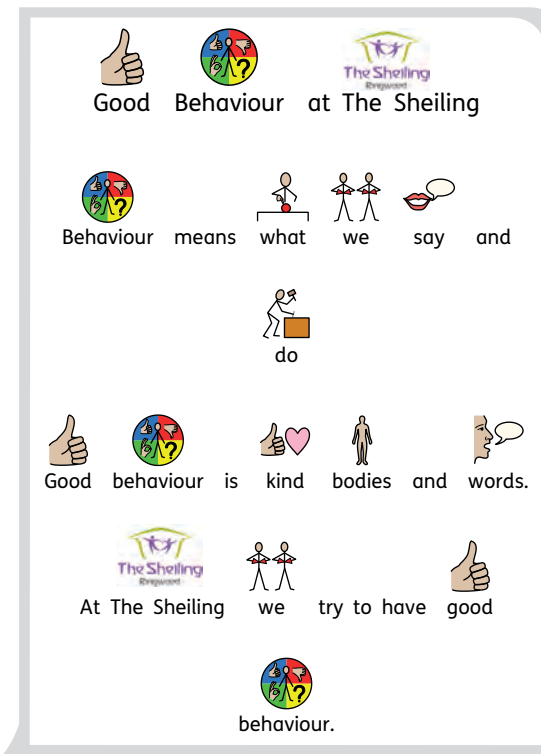

Some of our school rules

We do not have many 'rules' but think students should respect and be kind to each other. We have 'agreements' which are mainly about our behaviour towards each other.

We learn about morals by covering fairy tales. We also learn about why rules are important.

Each class and group has its own rules, set by staff and students together and we have a student-friendly policy on behaviour, which we are all able to read and discuss with staff.

Individual liberty

We are all encouraged to make big and little choices throughout the day. Often, we use symbols to help us.

Making decisions and discovering who we are is a very important part of growing up!

Mutual respect

We learn about respecting other students and staff.

We have a student-friendly policy on bullying and some of us attend social skills groups to learn how to be friends.

Bullying Policy

Bullying means making people feel sad or scared

Bullying is wrong. Bullying is against the rules

Bullying means hitting, Kicking, biting, pulling hair. Saying unkind words or doing unkind things.

If you feel sad or scared you can tell staff

Staff will help you

If you bully others staff will help you to stop.

Visiting the Sheiling School

People you may meet

Corine

Andy

Jonathan

Heidi

Eszter

Corine

Corine is the Principal who will talk to your parents.

School Admissions

This person deals with all the new children who want to come here.

Andy

Andy is the Head of School who looks after the school students.

Jonathan

Jonathan is the Deputy Head of School who looks after the school students.

Heidi

Heidi is the Head of Houses and looks after students who board.

You can come and meet these people and look around the school with your parents. When you visit you can spend some time in the classrooms and have lunch in one of the houses.

Heidi

Heidi is the Deputy Head of Houses and looks after students who board.

Life at school

Boarders

You can bring whatever makes you happy. Toys, photographs or other personal items.

Keeping in touch with your family when you live here

You can see and contact your parents regularly. You can write lots of letters and telephone your family often. You can even Skype them!

Friendships and relationships

We will help you make friends. Playing with friends is important.

Food

We all have delicious, healthy food and you can choose what you want to eat.

Medical care

We have a lovely nurse called Katie.

We will also tell your family if you feel unwell.

School rules

We do not have many 'rules' but think students should respect and be kind to each other. We have 'agreements' which are mainly about our behaviour towards each other.

How to complain

If you are not happy about something at The Sheiling Ringwood, this is what you can do:

Talk to your teacher or House Manager

Talk to someone in the office

If you are still not happy, talk to your parents or talk to:

Corine

Heidi

Andy

Eszter

You can also talk to:

John Freeman, Chair of the SSET
trustees@thesheilingringwood.co.uk

An independent visitor to your house or classroom
 You can contact Child Line (0800 1111).

**Ask someone to write to the Local Authority:-
 The Complaints Officer, Social Care and Health
 Directorate, County Hall, Colleton Park, Dorchester, Dorset
 DT1 1XJ.**

National Voice, an organisation for young people in care:-
 PO Box 253, Leeds, LS1 3RA telephone 0113 242 9767.
